Dear :

Your transmitted September 28, 2015 FAA medical application has been received and reviewed. It is noted that on previous Airman Medical Certification applications you responded positively to Item 18w, *History of Other Convictions*, due to a Minor in Possession offense, yet you responded negatively to this item on your current application.

Enclosed is a summary copy of your FAA Form 8500-8 with the subject item circled in red. Please amend the item, place your initials and the date next to the amendment, add the explanation in the appropriate section, and return the form to this office in the enclosed business reply envelope.

It is the airman's responsibility to provide the requested information necessary to determine eligibility for medical certification. No consideration can be given for issuance until all requested information is received in its entirety.

Please note that your medical certification has not been denied; however, if no reply is received within 60 days from the date of this letter, we will have no alternative except to deny your application in accordance with Title 14 of the Code of Federal Regulations (CFR) Part 67.413.

**You are cautioned to abide by Title 14 of the Code of Federal Regulations (CFR) Part 67.403 pertaining to falsification.**

Sincerely,

for

AGL Regional Flight Surgeon
